About Films on the Canal Walk

Films on the Canal Walk is a free film screening held on Richmond's Canal Walk and organized by the James River Advisory Council, James River Outdoor Coalition, James River Association, and Venture Richmond during James River Week.

Film Submissions (Due: August 30, 2019)

Filmmakers are encouraged to submit original films to be reviewed and considered for screening by event organizers. The deadline for submitting films is Friday, August 30, 2019. Films should feature at least one of the following themes:

- James River
- Conservation
- Outdoor Recreation
- Parks and Public Spaces
- Wildlife and Ecosystems
- Aesthetics

Filmmakers may submit more than one original film. By submitting a film, each filmmaker represents the film submitted is original work that does not infringe on the copyright or intellectual property right of another party, and each filmmaker agrees to indemnify Films on the Canal Walk and its organizers from all liability arising from any alleged infringement in this regard. All forms of footage, including audio, video, and photos, not produced by the filmmaker(s) must be credited to the original producer. The filmmaker(s) retains ownership rights to the submitted film and grants the organizers of Films on the Canal Walk permission to screen the film and recognize the filmmaker(s) during the event. Please submit films to Justin Doyle of the James River Association via email at jdoyle@thejamesriver.org or mail at:
