INDEPENDENT AUDITOR'S REPORT

Board of Directors  
James River Association  
Richmond, Virginia

***Opinion***

We have audited the accompanying financial statements of James River Association (the "Association") (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of James River Association as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of James River Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about James River Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of James River Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about James River Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 3, 2022, on our consideration of James River Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of James River Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering James River Association's internal control over financial reporting and compliance.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization

The James River Association (the “Association”) is a Virginia nonprofit organization dedicated to the preservation and conservation of the James River. The stated mission of the Association is to be a guardian of the James River. The Association operates four principal programs: Advocacy, Awareness, Action, and Appreciation.

#### Program Description

*Advocacy* - To achieve policy changes that drive actions needed to protect the James and connect people to it.

*Awareness* - To ensure all watershed residents know their connection to the James and their role in protecting it.

*Action* - To engage partners and members to put projects on the ground that protect the James and connect people to it.

*Appreciation* - To ensure everyone has a personal connection to the James and is inspired to do their part.

#### Summary of Significant Accounting Policies

The Association prepares its financial statements in accordance with accounting principles generally accepted in the United States of America for nonprofit entities. The significant accounting and reporting policies used by the Association are described subsequently to enhance the usefulness and understandability of the financial statements.

#### Recent Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, “Leases (Topic 842).” This update includes a lease accounting model that recognizes two types of leases: finance leases and operating leases. The standard requires that a lessee recognize on the statements of financial position assets and liabilities relating to leases with terms of more than 12 months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee will depend on its classification as a finance or operating lease. This update is effective for the Association for annual periods beginning after December 15, 2021. The Association will be required to record a “right of use” asset and a lease liability payable. The Association is currently evaluating the impact of this adoption, including the use of practical expedients provided in the guidance.

#### Fair Value Measurements

The Association reports fair value measures of its assets and liabilities using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by accounting principles generally accepted in the United States of America, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability measurement within the fair value hierarchy is based on the lowest level of input that is significant to the measurement. The three levels of inputs used to measure fair value are as follows:

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Fair Value Measurements - Continued

- *Level 1.* Quoted prices for identical assets or liabilities in active markets to which the Association has access at the measurement date.
- *Level 2.* Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets in markets that are not active;
  - observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
  - inputs derived principally from, or corroborated by, observable market data by correlation or by other means.
- *Level 3.* Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value if observable inputs are not available.

When available, the Association measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. However, level 1 inputs are not available for many of the assets and liabilities that the Association is required to measure at fair value (for example, unconditional promises to give and in-kind contributions).

The primary uses of fair value measures in the Association's financial statements are

- initial measurement of noncash gifts, including gifts of investment assets and unconditional promises to give.
- recurring measurement of operating investments (Note D).
- recurring measurement of endowment and long-term investments (Notes D and F).

The Association uses the following ways to determine the fair value of its investments:

*Money market funds:* Valued at the closing price reported by the fund sponsor from an actively traded exchange.

*Invested cash and certificates of deposit:* Determined by the cost basis of the instrument plus any investment return through the last day of the year.

*U.S. Department of Treasury obligations and Corporate bonds:* Determined using contractual cash flows and the interest rate determined by the closing bid price on the last business day of the fiscal year if the same or an obligation with a similar maturity is actively traded.

*Equity securities traded on national securities exchanges:* Determined by the closing price on the last business day of the fiscal year.

*Open-end fixed income and mutual funds:* Determined by the published NAV per unit at the end of the last trading day of the fiscal year, which is the basis for transactions at that date.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities as of the date of the financial statements. On an ongoing basis, the Association's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Association's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

#### Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements, with no effect on previously reported change in net assets.

#### Income Taxes

The Association is exempt from federal income taxes as defined under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Association's tax-exempt purpose could be subject to taxation as unrelated business income. In addition, the Association qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private Association under Section 509(a)(2).

#### Uncertain Tax Positions

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Association may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Association and various positions related to the potential sources of unrelated business taxable income (UBTI). The Association has recognized no uncertain tax positions for the years ended June 30, 2022 and 2021.

#### Classification of Transactions

All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses other than losses on donor restricted investments are reported as decreases in net assets without donor restrictions. Net gains on donor restricted investments increase net assets with donor restrictions, and net losses on donor restricted investments reduce that net asset class.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Schedule of Expenditures of Federal Awards

The accompanying Supplemental Schedule of Expenditures of Federal Awards is prepared in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures reported on the Supplemental Schedule of Expenditures of Federal Awards are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations* or the cost principles contained in Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Association has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

#### Cash Equivalents

Cash equivalents are short term, interest bearing, highly liquid investments with original maturities of three months or less, unless the investments are held for meeting restrictions of a long-term or endowment nature.

#### Contributions Receivable/Allowance

Contributions receivable are unconditional promises to give that are recognized as contributions when the promise is received. Contributions receivable that are expected to be collected in less than one year are reported at net realizable value. Contributions receivable that are expected to be collected in more than one year are recorded at fair value as of the date of promise. That fair value is computed using a present value technique applied to anticipated cash flows. Amortization of the resulting discount is recognized as additional contribution revenue. The allowance for uncollectible contributions receivable is determined based on management's evaluation of the collectability of individual promises.

#### Investments, Operations

The Association invests cash in excess of its immediate needs in certificates of deposit. Investments, operations are reported at fair value.

The investment policy specific to these investments is monitored by the Investment Committee of the Association's Board of Directors. The policy requires that investments be readily marketable and nonvolatile.

#### Land, Buildings, and Equipment/Depreciation

Land, buildings, and equipment are reported in the statement of financial position at cost, if purchased, and at fair value at the date of donation, if donated. All land and buildings are capitalized. Equipment is capitalized if it has a useful life when acquired of more than 1 year. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets.

Land, buildings, and equipment are reviewed for impairment when a significant change in the asset's use or another indicator of possible impairment is present. No impairment losses were recognized in the financial statements in the current period.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Investments, Endowment and Long-term

Endowment and long-term investments consist of investments purchased with the following resources:

- Donor-restricted term endowments, which are contributions restricted by donors to investment for the term specified by the donor. During that term, the donor may either require investment income and appreciation to be reinvested in the fund or may permit the Association to spend those amounts in accordance with the donor's restrictions on use.

Endowment and long-term investments are reported at fair value with changes to fair value reported as investment return in the statement of activities. Purchases and sales of investments are reported on the trade date.

The investment and spending policies for these endowment and long-term investments, called the Kirby and Youth Leadership Funds, are discussed in Note F.

The Association is subject to the State Prudent Management of Institutional Funds Act (SPMIFA) of Virginia and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the Board appropriates such amounts for expenditure. Most of those net assets also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The Board of James River Association has interpreted SPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Association considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Association has interpreted SPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with SPMIFA, the Association considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the organization
7. The investment policies of James River Association.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Net Assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

##### Net Assets Without Donor Restrictions

Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the Association, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

##### Net Assets With Donor Restrictions

Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Association must continue to use the resources in accordance with the donor's instructions.

The Association's unspent contributions are included in this class if the donor limited their use, as are its donor-restricted endowment funds.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Net assets restricted for acquisition of buildings or equipment (or less commonly, the contribution of those assets directly) are reported as net assets with donor restrictions until the specified asset is placed in service by the Association, unless the donor provides more specific directions about the period of its use.

#### Contributions

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions. Unconditional promises with payments due in future years have an implied restriction to be used in the year the payment is due, and therefore are reported as restricted until the payment is due, unless the contribution is clearly intended to support activities of the current fiscal year. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

#### Gifts-in-Kind Contributions

The Association receives contributions in a form other than cash or investments. Most are donated supplies, which are recorded as contributions as of the date of gift and as expenses when the donated items are placed into service or distributed. If the Association receives a contribution of land, buildings, or equipment, the contributed asset is recognized as an asset at its estimated fair value at the date of gift, provided that the value of the asset and its estimated useful life meet the Association's capitalization policy.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Gifts-in-Kind Contributions - Continued

The Association benefits from personal services provided by a substantial number of volunteers. Those volunteers have donated significant amounts of time and services in the Association's program operations and in its fundraising campaigns. However, the majority of the contributed services do not meet the criteria for recognition in financial statements. Accounting principles generally accepted in the United States of America allow recognition of contributed services only if (a) the services create or enhance nonfinancial assets or (b) the services would have been purchased if not provided by contribution, require specialized skills, and are provided by individuals possessing those skills. The Association did not have any personal services that met the above thresholds for the years ended June 30, 2022 and 2021.

#### Grant Revenue

Grant revenue is recognized when the qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants. Grant revenue from federal agencies is subject to independent audit under the Office of Management and Budget's audit requirements for federal awards and review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grant or reductions of future grant funds. Based on prior experience, the Association's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the Association.

#### Revenue Recognition Policy

Revenue is measured based on consideration specified in a contract with a customer. The Association recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer. The Association has no contract assets or liabilities to report as of June 30, 2022 and 2021.

#### Performance Obligations

*Educational programs* - For performance obligations related to educational programs, control transfers to the attendee(s) over time. Revenue is recognized throughout the program. The programs have durations that vary depending on the event, but are generally an hour to 24 hours.

*Special Events* - For performance obligations related to special events, control transfers to the attendee(s) over time. Revenue is recognized throughout the event. The events have durations that generally last a few hours.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Expense Recognition and Allocation

The cost of providing the Association's programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied, as follows:

- Salaries and wages, benefits, and payroll taxes are allocated based on activity reports prepared by key personnel.
- Occupancy, insurance, and depreciation and amortization are allocated based on management's estimate of the costs of programs and supporting activities occupying the space.
- Other expenses that cannot be directly identified are allocated on the basis of management's estimate of the allocable portion to each program and supporting activity.

General and administrative expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Association.

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. The Association generally does not conduct its fundraising activities in conjunction with its other activities. In the few cases in which it does, such as when the annual report or donor acknowledgements contain requests for contributions, joint costs have been allocated between fundraising and general and administrative expenses in accordance with standards for accounting for costs of activities that include fundraising. Additionally, advertising costs are expensed as incurred.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE B - LIQUIDITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, 2022 are:

Financial assets:		
Cash		\$ 3,287,347
Contributions receivable, net		3,276,034
Other receivables		62,646
Investments, operations		218,185
Investments, endowment and long-term		<u>1,618,917</u>
Total financial assets		8,463,129
Less financial assets held to meet donor-imposed restrictions:		
Purpose restricted net assets (Note G)		6,177,133
Donor-restricted endowment funds (Notes F and G)		1,534,885
Less financial assets not available within one year:		
Time restricted contributions receivable, net (Note G)		<u>82,549</u>
Total financial assets available for general expenditures within one year		<u><u>\$ 668,562</u></u>

The above table reflects donor-restricted endowment funds as unavailable because it is the Association's intention to invest those resources for the long-term support of the Association. Note F provides more information about those funds and about the spending policies for all endowment funds.

As part of the Association's liquidity management plan, cash in excess of daily requirements is kept in short-term investments (Note D). The Association maintains two revolving lines of credit totaling \$800,000 to cover short-term cash needs (Note J).

### NOTE C - CONTRIBUTIONS RECEIVABLE

As of June 30, 2022 and 2021, contributors to the Association have made multi-year unconditional promises to give that are due as follows:

	<u>2022</u>	<u>2021</u>
Current	\$ 2,027,774	\$ 1,754,884
Non-current	<u>1,415,556</u>	<u>442,370</u>
Total unconditional promises to give	3,443,330	2,197,254
Less discounts to net present value	<u>167,296</u>	<u>-</u>
	<u><u>\$ 3,276,034</u></u>	<u><u>\$ 2,197,254</u></u>

Non-current contributions receivable are discounted at 5%.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE E - LAND, BUILDINGS, AND EQUIPMENT

Land, buildings, and equipment, net consist of the following as of June 30, 2022 and 2021:

	2022	2021
Property, equipment, and software	\$ 2,097,024	\$ 1,012,011
Buildings and improvements	535,510	585,267
Land	81,700	141,700
	<u>2,714,234</u>	<u>1,738,978</u>
Less: Accumulated depreciation and amortization	725,945	664,542
	<u>\$ 1,988,289</u>	<u>\$ 1,074,436</u>

### NOTE F - ENDOWMENTS (KIRBY FUND AND YOUTH LEADERSHIP FUND)

The Association received cumulative cash contributions from the F. M. Kirby Association, Inc. and the Guilford Association, Inc. for the creation of a term restricted fund designated the Kirby Fund. Fund assets are invested in marketable securities.

Prior to the year ended June 30, 2015, the Association had limited withdrawals to interest and dividend income only, to be used for executive operating expenditures. Unexpended interest and dividend income did not become a part of the restricted fund balance. The restricted fund balance was, however, adjusted by realized and unrealized gains and losses of Kirby Fund assets. Effective January 1, 2014, the donor approved an amendment to the policy for withdrawals from the Fund. On a quarterly basis, in approximately March, June, September and December, funds were transferred from the Kirby Fund to the operating account of the Association in equal quarterly installments. The annual amount transferred was a declared percentage of the average closing value of the portfolio on December 31 of the prior three years. For the calendar years 2014 through 2016 the declared rate was 4%. In the absence of action by the Executive Committee, the default rate remained 4%. After 2016, the Executive Committee can authorize a rate between 2% and 4.5% for a specific year, based on its assessment of the investment climate and the Association's cash needs. This rate can be authorized or adjusted at any time up to the date of the first (March) draw for the new calendar year. As a result of the policy amendment, the permanent restriction of the Kirby Fund was lifted and the net assets became restricted for time.

The Association received \$100,000 during the year ended June 30, 2014 to establish another endowment fund, the Youth Leadership Fund. The Youth Leadership Fund is used for the benefit of the Association's environmental education. Funds distributed from this endowment shall be used to hold an annual Youth Leadership Summit for the Environment. The Youth Leadership Fund is subject to the same earnings and withdrawal policies as the Kirby Fund.

JAMES RIVER ASSOCIATION

NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

NOTE F - ENDOWMENTS (KIRBY FUND AND YOUTH LEADERSHIP FUND) - Continued

The net asset composition of the endowments as of June 30, 2022 and 2021 is as follows:

	<u>2022</u>	<u>2021</u>
Donor-restricted funds:		
Term endowment	\$ 1,534,885	\$ 1,585,372

All endowment net assets as of June 30, 2022 and 2021 are with donor restrictions.

The changes in endowment net assets for the years ended June 30, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Endowment net assets, beginning of year	\$ 1,585,372	\$ 1,295,715
Investment return	(219,851)	343,345
Contributions	200,000	-
Transfer	25,000	-
Appropriations of endowment assets for expenditure	(55,636)	(53,688)
Endowment net assets, end of year	<u>\$ 1,534,885</u>	<u>\$ 1,585,372</u>

NOTE G - NET ASSETS WITH DONOR RESTRICTIONS

As of June 30, 2022 and 2021, net assets with donor restrictions are available for the following purposes or periods:

	<u>2022</u>	<u>2021</u>
Purpose restrictions, available for spending:		
Education	\$ 6,060,487	\$ 1,069,850
Action	17,920	48,278
Advocacy	62,500	-
Appreciation	21,226	14,400
Development	15,000	-
Total purpose-restricted net assets	<u>6,177,133</u>	<u>1,132,528</u>
Time restrictions:		
Contributions receivable, which are unavailable for spending until due, some of which are also subject to purpose restrictions (education)	82,549	990,246
Endowment Funds, which must be appropriated in accordance with Fund spending policies	<u>1,534,885</u>	<u>1,585,372</u>
Total net assets with donor restrictions	<u>\$ 7,794,567</u>	<u>\$ 3,708,146</u>

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE H - RETIREMENT PLANS

The Association adopted a 401(k) plan for its employees on January 1, 2016. All eligible employees can make elective salary-deferred contributions to the plan. The Association makes discretionary contributions to the plan on behalf of full-time employees, subject to plan requirements of one year of service and the age of twenty-one. Employees are fully vested in the plan after six years of service. For the years ended June 30, 2022 and 2021, the Association contributed \$47,856 and \$40,628, respectively, under the plan. Contributions by the Association are reported in the financial statements as employee benefits.

### NOTE I - LEASE COMMITMENTS

Under an office lease dated April 23, 2018, the Association entered a four-year lease agreement for office space in the City of Richmond, Virginia commencing on September 1, 2018 and ending on September 30, 2022. The lease calls for monthly rent of \$3,300 with incremental increases each year of the lease term.

Under an office lease dated July 18, 2022, the Association entered a 61-month lease agreement for office space in the City of Richmond, Virginia commencing on September 1, 2022 and ending on September 30, 2027. The lease calls for monthly rent of \$3,971 with a 3% increase each year of the lease term.

The Association leases office equipment under a non-cancelable operating lease. The lease term was five years that commenced on April 4, 2017 and ended on April 13, 2022. The lease called for monthly rent of \$179.

The Association leases office equipment under a non-cancelable operating lease. The lease term is five years commencing April 2022 and ending in April 2027. The lease calls for monthly rent of \$178.

The Association rents office space located in the City of Lynchburg, Virginia on a month-to-month basis through 2022 at a rate of \$500 per month. The Association entered a new ten-year lease commencing on July 1, 2022 for the office space and ending on June 30, 2031 with monthly rent of \$500.

The Association leases office equipment under a non-cancelable operating lease. The lease term is 5 years commencing February 2022 and ending in February 2027. The lease calls for monthly rent of \$58.

The Association rents office space located in the City of Scottsville, Virginia with monthly rent of \$400 on a month-to-month basis.

# JAMES RIVER ASSOCIATION

## NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

### NOTE I - LEASE COMMITMENTS - Continued

Future rental payments on the non-cancelable operating leases are as follows:

<u>Year</u>	
2023	\$ 55,378
2024	57,663
2025	59,128
2026	60,637
2027	61,427
Thereafter	37,540
	<u>\$ 331,773</u>

### NOTE J - LINES OF CREDIT

The Association had available an unsecured line of credit totaling \$200,000 carrying interest at the Prime rate plus 0.25% (5% at June 30, 2022) as of June 30, 2022 and 2021. Borrowings on the line of credit totaled \$0 as of June 30, 2022 and 2021. The line matures on demand by the lender.

On November 19, 2021, the Association entered into another line of credit agreement. The Association had available a line of credit totaling \$600,000 carrying interest at the Prime rate plus 0.25% (5% at June 30, 2022) as of June 30, 2022. There were no outstanding borrowings on the line of credit as of June 30, 2022. The line is secured by all inventory, chattel paper, accounts, equipment, and general intangibles of the Association. The line matures on demand by the lender.

### NOTE K - CONCENTRATION OF CREDIT RISK

The Association's deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution. As of June 30, 2022 and 2021, the Association had deposits totaling \$481,330 and \$997,381, respectively, in excess of FDIC coverage.

### NOTE L - CONSERVATION EASEMENTS

The Association is the holder or co-holder of easements received pursuant to the Virginia Conservation Easement Act establishing perpetual conservation easements exclusively for the purpose of conserving and forever maintaining wildlife habitat, agriculture resource base, scenic character, and open space character of the subject property. Easements are held in the Counties of Charles City, Goochland, James City, Powhatan, and Prince George, Virginia. The Association has opted not to attach a monetary value to these conservation easements, and accordingly, they are not recorded as assets on the accompanying statement of financial position.

## JAMES RIVER ASSOCIATION

### NOTES TO FINANCIAL STATEMENTS - Continued

JUNE 30, 2022 AND 2021

#### NOTE M - TURKEY ISLAND CREEK

Beginning in 2013, the James River Association began securing funds to purchase and improve a 12.2-acre parcel of land at 5501 New Market Road in Henrico County, Virginia known as Turkey Island Creek. After purchasing the property and protecting it in a conservation easement in 2018, the James River Association used the property to launch education programs and worked with Henrico County to open it as a public park. The James River Association improved the property by demolishing a dilapidated structure, improving the driveway, and installing a paddlecraft launch on the creek. The James River Association gifted the property to Henrico County in July 2021 after initial improvements were made and the county opened Turkey Island Creek Conservation Area to public use shortly thereafter. The gift of the property to Henrico County resulted in a book loss in the James River Association's financials due to the transfer of the asset of (\$109,757). The James River Association is proud that it was able to preserve and improve the Turkey Island Creek property to provide generations of Richmonders with easy access to the James River.

#### NOTE N - COVID-19

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Association's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the ongoing evolution of the COVID-19 outbreak and the global responses to curb its spread, the Association is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for future years.

#### NOTE O - SUBSEQUENT EVENTS

In the preparation of its financial statements, James River Association considered subsequent events through November 3, 2022, which was the date the financial statements were available to be issued.

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
James River Association  
Richmond, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of James River Association (the "Association") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 3, 2022.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH  
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors  
James River Association  
Richmond, Virginia

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited James River Association's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of James River Association's major federal programs for the year ended June 30, 2022. James River Association's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, James River Association complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of James River Association and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of James River Association's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to James River Association's federal programs.

## ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on James River Association's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about James River Association's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding James River Association's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of James River Association's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of James River Association's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
