

50TH ANNIVERSARY GALA

Sponsorship

SATURDAY, MARCH 21ST, 2026
The Foundry at Tredegar, Richmond, VA

The James River Association's 50th Anniversary Gala brings together James River Changers for one unifying purpose, to protect the James River and connect people to it.

For the past 50 years, the James River Association has spearheaded the restoration and protection of this vital resource. Through the dedication of our supporters, the James River has transformed from one of the nation's most polluted rivers into one of the most improved.

Your sponsorship directly supports the work that maintains the health of the James River and its expansive 10,000-square-mile watershed, providing drinking water to over 3 million Virginians as well as commerce, recreation, and sustenance.

We envision a fully restored James River, valued by all communities in the watershed. As we look toward the next 50 years of advocacy, your support is critical in ensuring the river's future.

Join us for an evening of community, conversation, and connection, as we reflect on the first 50 years of the James River Association and prepare for the golden years ahead. Your sponsorship plays a pivotal role in securing a healthier future for the James River.
